Dear Sir/Madam,

This is to inform you that Best Agrolife Limited (BAL) has received the registrations for the indigenous manufacturing of the product Trifloxystrobin 10% + Difenconazole 12.5% + Sulphur 3% Sc under section 9 (3) FIM from Central Insecticides Board & Registration Committee (CIBRC). With this Best Agrolife Limited (BAL) will become the first Indian agrochemical company to manufacture the combination product of Trifloxystrobin 10% + Difenconazole 12.5% + Sulphur 3% Sc in India with brand name Tricolor.

BAL is all set to launch this product in July with the brand name Tricolor and it will be the company patented product. The company is launching Propaquizafop and Amytrn with the brand name Propique and Amito respectively in the first quarter of FY24. All these products will help us in maintaining the goal of 30% growth and 20% EBITDA margin in the current financial year.

Submitted for your information and record.

Thanking You,

Yours Faithfully,

For Best Agrolife Limited

Astha Wahi
